HAPPY BIRTHDAY

Dear Friends of Design & Construction,

Summer is officially here with its longest days, some hot ones already and the focus shifting from school to the beach and the festivals.

We are here to celebrate two of our favorites this month: **Laguna Beach's 95th Birthday** and our company mascot's **Otis' 2nd Birthday**.

Otis loves Laguna and its beach. We are so happy Laguna is so dog friendly to still be able to share the beaches with the tourists in the summer. The early hours are perfect for us as Otis loves fresh, cool, overcast mornings.

Wishing you all a fantastic summer filled with family, friends, great get togethers and memories.

Happy Summer to All,

Eric Overstrom

Happy Birthday Laguna & Otis!

Pictured here is Otis at some of his favorite spots in Laguna. He loves to visit the office and take lunch break walks in town. He loves all the attention and visiting the other dogs in the office.

Otis sends best wishes to Laguna for its birthday and summer greetings to all of you and hopes to see you again soon!

MAKE LIFE WITH YOUR FOUR LEGGED FAMILY MEMBER(S) MORE CONVENIENT

In honor of Otis' birthday, we have picked a few of our very favorite pet friendly home integrations:

Dog Shower/Wash Station

- even with custom integrated pull out steps -

With all of the sand getting into the fur and paws, our dogs deserve their own cozy wash off station and our backs deserve these too!

Kitchen Island with built in dog bowls and easy water access

With all of the fun, they get thirsty a lot.

Make your life easier refilling the bowl for the xth time each day :)

Pull Out Dog Bowl Drawers

Want the convenience of integrated dog bowls but the flexibility to hide it when you have company? These are perfect and our local finish carpenters have made some of these (some are in-progress shots during the build)

Integrated Dog Gates

No more wrestling and storing unsightly gates, these are perfect for keeping your pet safe and ensure they don't dart out of the door

Home Sweet Home

Giving your pet a safe space where they can fully relax and not worry about anything. Remember, dogs are den animals so they like to crawl into smaller spaces for safety and security. We love these custom dog homes.
